Let's Ride

CHAPTER RIDE HOT LINE 847-281-3141

Corey Johnston – Director

The summer is already flying by. It is hard to believe another picnic has come and gone. I would like to thank everyone who helped to make the event a success. All the help is greatly appreciated.

Our chapter trip to St. Ignace, MI was a huge success. We hope those of you who went had a fantastic time.

Don't forget that the August after meeting ride will be a group ride to the HD Museum where we will visit the rivet that was placed on the wall for our friend Mike Scaramella.

There are still many great rides in the next few months so keep an eye on the calendar and join some of the fun. For those traveling to Sturgis have a blast. And for those traveling anywhere else enjoy every mile of your journey. Until next time be safe and enjoy the road.

Ralph Lenzini—Assistant Director

Hi All,

July was certainly a busy month. Many chapter rides, chapter picnic and then our fabulous trip. Hope everyone who went on this year's chapter trip had a fabulous time in St. Ignace, MI. It was a fantastic time with great wind therapy and lots of laughs with friends and a time to build new relationships.

Hope many of you will join me on my ride to Rockton, WI on August 29. KSU @ 6:00 am. We will ride to get BBQ chicken and visit Wild Things. There are some great roads in the area.

See ya on a ride!

Heather Johnston – Secretary

Hello, hello! Wow is summer flying by! It has been wonderful to see many of you at various events recently. We had a great time at the annual Chapter Picnic. Lots of tasty food, fabulous weather, and fun Biker Rodeo games! Congratulations to the winners of the 50/50 and raffle prizes as well as the games! Deanette Wooster won the 50/50 and Scott Sears won the \$50 gift card raffle. For the Biker Rodeo we had Bob Morrison as champion of the obstacle course, Yogi won the slow ride, and James & Colleen Hancock took home the price for the "roadkill" contest. Woohoo!!

Just this past weekend 17 bikes traveled up to St. Ignace, Michigan on the Primaries Trip for a lovely 4 days of wind therapy and fellowship with one another. It was a gorgeous weekend (aside from a bit of rain on Saturday) and we had stunning views of Lake Huron. John Sweeney led a group through the Tunnel of Trees, Corey led a few bikes up to Sault Ste. Marie and onto Point Iroquois Lighthouse, and throughout the trip some folks took side tours to Mackinac Island and Mackinaw City. That bridge sure is a doozy!

Stay tuned for more events to come - as always, check the ride calendar and Chapter website for details.

Be fearless in the pursuit of what sets your soul on fire.

Until next time,

Heather Johnston

Roz Wrobel—Membership

Hello From Membership.

Hopefully everyone is enjoying the beautiful weather that we are having and enjoying the rides that the road captains have put together. We have 3 new members this month, so please welcome: Maurizio Michi, Greg Sauchuk, Clare Ramsussen. If you see them at chapter meetings, rides or the dealership, please say hi.

Please remember to keep your national H.O.G. current. If it should expired, your membership with the chapter becomes inactive until your national H.O.G. is current. This can be easily done by logging on www.hog.com. I will also send an email or text if it has expired.

John R Sweeney Jr **HEAD ROAD CAPTAIN**

Howdy everyone,

Well we are at our half way point (theoretically) of the summer. We've had plenty of great rides, wonderful weather and good times. BUT!!! It's not over. Keep checking the calendar, as rides change, get added, moved or changed. The ever evolving ride schedule is to make the best riding season for you, the members. The RC's work hard on planning and executing these, so be sure and continue to take advantage of the variety on the calendar and just go RIDE...

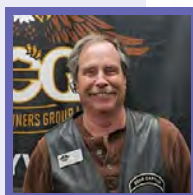

If you went on the Primaries Ride, you know what a great time it was and if you didn't, you should have... Michigan did not disappoint and we only had rain in the morning on Saturday. Other than that, it was beautiful. There are some pictures up on our website and I'm sure other officers will be talking about it, in their articles. In the future, if you ever get a chance to do one of our get-a-way weekends, do yourself a favor and go... They really are fun, new destinations, new roads and lots of things to see. Treat yourself next time.

Lastly, just a reminder that if you want to know your progress on Ride365, you have to stop by the dealership and see Kory to get your mileage updated. Then you can see your progress for this year and lifetime on all of your bikes. Plus don't forget about those H.O.G. Mileage rockers as you hit each milestone. Our chapter contest will end on our October meeting.

Hope to see many of you on the road, enjoying the rest of summer and into the fall. Be safe and have fun...

Harley-Davidson Servi-Car

Concept and uses

The Servi-Car was designed during the **Great Depression** when Harley-Davidson was desperate to expand its product base to increase sales.^[1] Targeted at the automotive service industry, the vehicle was designed to be towed behind a car to be delivered to a customer; when the car was delivered at its destination, the driver would unhitch the Servi-Car and ride back to the garage.^{[2][3]} For this reason, it was available with a tow bar at the front and a large 60 Ah battery.^[4]

In addition to its intended use for car delivery and retrieval, the Servi-Car was also popular as a utility vehicle for small businesses and mobile vendors. They proved to be particularly popular with the police departments, some of which still used Servi-Cars into the 1990s.^[4]

Models

The models offered in 1932, the first year of production were:

- G - with small box and tow bar
- GA - with small box and no tow bar
- GD - with large box and no tow bar
- GE - with large box and air tank

In 1933, the GDT, with large box and tow bar, was added to the line.^[5]

Teddy Bear Corner

Hi Everyone,

So once again the Lake Shore H.O.G. chapter did not disappoint! We filled two huge bags of stuffed animals and Hot Wheel cars, plus cash donations. Between our 50/50 raffle, the people that donated their \$10 holding fee back to the Teddy Bears and additional cash donations, we collected \$430.00. That is awesome and the kids will really benefit from your generosity.

I need to go shopping now... ;—)

Cya soon,

Sammie Sweeney

Doug Wrobel—Safety Officer

Well, hello all. The chapter had another successful Teddy Bear Ride / Annual Picnic. A huge well done to the officers for getting everything together and making it a success.

It's also that time of year again for the annual pilgrimage to Sturgis. I haven't heard of any Chapter members going out this year, but if there is, Ride safe and enjoy.

What Are the Most Common Road Hazards for Motorcyclists?

1. Railroad Crossings. Motorcycle tires can get stuck on the tracks of railroad crossings, which could lead to the rider being thrown from the bike. ...
2. Edge Breaks Between Lanes. ...
3. Expansion Joints/Bridge Joints. ...
4. Gravel. ...
5. Wet Surfaces. ...
6. Debris in the Roadway. ...
7. Animals.

Hello all,

We are taking August off, but planning things for the fall. Hope you are all enjoying your summer and we'll have more information about upcoming events, soon. See you next month or on a ride.

Photographer Bob Morrison

Hello Lake Shore H. O. G. Chapter sisters and brothers,

Hope everyone had a great time at our Teddy Bear Ride and Annual Picnic. Thank you to all involved in leading and sweeping the ride, planning, setting up, cleaning up, grilling, raffles, bike games and everything else that made this event a great success. Here are some memories from that day.
